Financial Controller / Accountant — MIG International Ltd

Owens MIG's financial reporting, tax compliance, and cash position across its DIFC and multi-jurisdiction structure

Location	Dubai, DIFC (primary base) — remote consideration for exceptional candidates based in New York or London, with regular travel to Dubai
Reports to	Chairman & CEO
Employment Type	Full-time, permanent
Seniority	Qualified accountant — minimum 7 years post-qualification, including multi-entity / multi-currency experience

Role Purpose

This role owns day-to-day financial management, statutory reporting, and tax compliance for MIG International Ltd and its affiliated entities, including UAE corporate tax obligations, bank reconciliations, and coordination with external auditors and tax advisors.

Key Responsibilities

- Prepare and maintain MIG's financial statements (P&L, balance sheet, cash flow) on a monthly and annual basis, reconciled against bank statements.
- Manage UAE corporate tax compliance and FTA submissions, working with MIG's external tax advisors.
- Oversee cash flow management and reporting across MIG's DIFC entities and affiliated companies, including its Asia subsidiary and related-entity structures.
- Coordinate with external auditors for annual audit and statutory filing requirements.
- Support the deal team with financial-model inputs and fee/cost accounting for bond structuring mandates (upfront and success fees, escrow accounting, sponsor equity contributions).
- Maintain internal financial controls and reporting discipline appropriate to a firm handling large-value, cross-border transactions.
- Flag any counterparty payment structure that raises financial control or compliance concerns, working alongside legal counsel.

Required Qualifications & Experience

- Recognised accounting qualification (ACCA, ACA, CPA, or equivalent), minimum 7 years post-qualification experience.
- Experience managing financial reporting and tax compliance across multiple entities and jurisdictions, ideally including a DIFC or UAE mainland entity.
- Working knowledge of UAE corporate tax regulations and FTA filing requirements.
- Comfortable working with complex, large-value cross-border transactions and multi-currency reconciliation.
- Fluent English.

Desirable

- Experience in a project finance, private equity, or investment firm environment.
- Familiarity with bond structuring fee mechanics (structuring fees, success fees, escrow accounts).
- Prior experience working directly with a firm's principal or CEO in a lean finance function.

Key Competencies

- High attention to detail and comfort owning financial control in a lean, principal-led organisation.
- Proactive in flagging financial or compliance risk rather than waiting to be asked.
- Able to work independently while keeping the Chairman & CEO informed on financial position at all times.
